Okay, great. The CPSD team has a slight preference for planning on standing meeting for Friday afternoons, but mostly we need to get it on calendar. Could you send me the information (location address specifically) and then I can put a proposal regarding standing meeting time out to the broader group?

Thanks.

Trina is correct. We have reserved the rooms for all day each Friday. It isn't clear if the parties want to have a regular meeting time or decide each week what time to get together the next week.

Hi, Michelle, yes, we've reserved space at Golden Gate University, which should be convenient off public transit, etc. I believe we've reserved a total of three rooms (one large, two smaller for break out sessions) every Friday from 5/25 through mid-July at this point, but I'm copying Joe to confirm. I think we have them for all day, and were planning to discuss the time and the rest of these details when we all meet this Friday at City Hall. But I'd be happy to let everyone know this info in advance of Friday if that's helpful.

Hi Trina- has PG&E been able to arrange meeting space in anticipation of future meetings at a neutral space? If so, it would be good to circulate that information so

people can get it on calendar or seek input regarding timing if that is option.

Thanks.
