Yes. No need to carry around electronic devices all the time.

Okay, 11:30 works perfectly. you can see that I was ready, though, since I texted you at 12:28 ready to come down. I just assumed you got tied up in a meeting.

I will not ask why one will not carry their cell or blackberry. From now on I will just come down and assume you are there and that you do not carry your cell phone or blackberry... weirdo.

See you Friday in the PUC lobby.

I didn't have my cell or blackberry with me because I came directly from a meeting I waited patiently in the entryway and then the courtyard. Spent 15 minutes talking to Judge Sullivan before I left. You could have come down. I have a 130 meeting at City Hall Friday so I need to be down there. We could do 1130 in your area.

Hi

What are you talking about?! I texted you at 12:28 to let me know when I should come down, then I called your cell and you didn't pick up so I assumed you got tied up in a meeting. Now I am just at the PUC cafe getting to go sandwich :-(

Why didn't you pick ur cell??? Okay, well miscommunication. How about I come to you on Friday?
