Jessie Knight will attempt to call the Governor this afternoon.

He wanted to make sure I communicated to you that he didn't want to step on your CEO's toes or get out in front of him. He has not met Mr. Early yet, but he wants to develop a good relationship with him and our two companies.

I assured him that PG&E is supportive of having him call.

Please pass on Jessie's sentiment to Mr. Early.

I will let you know if we are able to reach the Governor.

Please let me know if you would like us to place a call to Nancy as well.
