Ok, but if you find out, don't tell me. Otherwise, it's an ex parte communication! I already read PG&E's comments :^)

It is Meredith. I'm trying to find out whether we are ok or not.

I actually don't know who is handling at PG&E either. I'm thinking I'm going to find out soon, though... Actually maybe not. SCE is the only utility seemingly apoplectic over the whole thing.

Too funny. I'm not sure who is handling EPIC, maybe Meredith?

My money is definitely on YOU being organized and THEM recognizing it.

Ok. You just have to promise that if I end up having lunch with you, you can't tell whichever of your colleagues is handling EPIC that it's held! It may just be that I'm very well organized and there are no last minute surprises... !! Ha.

Yes! And that makes so much sense, i.e., held or not held, etc. So I'm going to pencil in next Wednesday.

Thanks

Next Tuesday and Wednesday are hard to predict because I have the EPIC PD on the agenda next Thursday. It could either be very busy (if it's not held) or very quiet (if it's held). Wednesday is a better bet than Tuesday, so want to plan for Wed and then reschedule if I need to?

I was just thinking about lunch, and have decided that I had better reschedule because the critical meeting I need to attend STILL isn't confirmed and may not be nailed down until Thursday morning. And then I'm thinking I'll have to do some stuff right after that, assuming the meeting goes as I expect it to . . .

Friday won't work, nor will Monday. But next Tuesday or Wednesday would – either of those ok with you?

I forgot to ask. Also, I could come your way if that makes it easier. I have a 2 p.m. meeting, but am totally free the rest of the day. I'm also free Friday, except 1:30-2 (and I probably could move that if necessary).
