Subject: May we get on your calendar?

As I mentioned to you when we last spoke, Jane Yura and I would like to talk with you and your team about how we are approaching encroachment in gas pipeline rights of way.

Do you have any time in the next week or so? We'd like an hour, and we're pretty flexible on when! I know it's Comm mtg week and an upcoming holiday weekend. Just let me know when it could work.

Thanks

Laura
