Meredith, thanks again. Who will be making public remarks at the All Party Meeting tomorrow? We

didn't hear from you and I want to send out an agenda late this morning.

We appreciate your timely feedback!

Hi Colette,

Below is the contact information for the DOE representatives. Ramamoorthy is the Director of the SunShot Initiative. He represented DOE at the all party. I also included Doug's contact information. He attended the meeting with you. Doug is the DOE project manager and would be able to answer more detailed questions concerning the project.

Please let me know if you need additional information.

Thanks,
Meredith

Hi Meredith, thanks for the helpful background materials. Just so you know we will likely have an All Party Meeting on the PG&E Solar Development Manufacturing Facility proposal on May 2. More details to follow.

In the meantime, we may want to chat with a DOE representative since we didn't have the opportunity in mid March during Commr Florio's All Party meeting. Would you please provide contact information? Thanks.

Colette
