Also, I may have been too optimistic on the standard methodology for cost quantification across the three IOUs. The teams are talking at 2:00. I will know more later today.

Some of them will be sooner. Bottlerock is scheduled for mid-May.

GreenVolts and CalBio in June. The RPS RFO deals are July/August.

Thanks,

Jason

Hi Jason,

Would it work to add to the agenda for the Wednesday meeting?
Or do you need the information sooner?

Hi Meredith,

Can we set up a call to discuss what we should expect to see filed
over the next month or two from the shortlist and bilats?

Thanks,
