Subject: RE: Draft Agenda and NERC required information form

Redacted

Thank you very much for sending me the agenda. I forwarded the agenda to BEPC people already. I will communicate with them regarding the safety and security requirements.

I also forwarded the agenda to Transbay Cable, so they will be awared of the activities at PG&E. After we finished the Potrero Substation, we will be visiting the TBC converter substation.

Hope to see you on Thursday.

Thank you all very much again and you have a nice weekend!!!

Subject: Draft Agenda and NERC required information form

Hi Charles,

I've enclosed the Draft Agenda I discussed with you earlier, plus NERC facility (Potrero Substation) required visitor information form I drafted for your/BEPC delegates completion.

Please have the BEPC delegates carry their passport in the case the Substation security requires to see form of identification.

As for the presentation, I'll pass that on to you as soon as it is available, hopefully by Thursday.

Thank you.
