Subject: Re: Invitation: PG&E Emergency Exercise

Thanks, Meredith. I'll check with Comr. Ferron's other advisors. If anyone is interested, our participation may need to be tentative, depending on how the June 7 agenda develops.

Thanks,

Charlotte

Subject: Invitation: PG&E Emergency Exercise

All,

On June 7, PG&E will be conducting its annual company Emergency Exercise. This is the exercise that the Company holds to test our emergency management organization and is conducted annually as required by General Order 166. The exercise will provide key PG&E Emergency Operation Center staff an opportunity to work with elements of the Company Emergency Plan to identify possible opportunities to improve it.

The agenda for the exercise is attached. Staff from the Energy Division and Safety Branch have been invited to attend.

While I know this date is a CPUC meeting, which will make it a challenge to attend, please let me know if anyone from your office would like to attend as an observer.

Thanks,

Meredith
