Subject: Motion form SLO County for funding in A.10-01-014

Robert:

Have you ruled on SLO County's Motion for funding for a contractor for the DCPD seismic studies? SLO County was requesting \$210,000, which was already included as part of the additional \$46 million that PG&E requested when it filed to reopen A.10-01-014. Please let me know the status. Thanks.

Eric
