For public information:

- [Redacted] We included an update for Q1 in the presentation shared with investors during the earnings call. It is on our website under the following link (refer to slides 17 & 18)  
<http://www.pgecorp.com/news/pdf/2012Q1EarningsSlides.pdf>

- [Redacted] Details were also included in the 2012 Proxy, starting on page 44.

Brian

The metrics are essentially our safety metrics as shown in our STIP results which are posted on our website. I'm copying Redacted in HR who can get you a copy of the document.
