Subject: R.12-03-014: 6/4 Workshop on Variability / Renewable Integration studies

Dear R.12-03-014,

As discussed at the 5/17 workshop, on Monday, June 4th from 10a-4p there will be a workshop in the auditorium on Variability & Renewable Integration studies. The purpose of the workshop is to provide a mostly high level overview of what studies were conducted during the 2010 LTPP, what changes have been undertaken since then, and to tee up what assumptions beyond those provided in the ED Straw Proposal on Planning Standards may be needed to facilitate modeling.

An agenda will be sent next week, with slides expected on Friday. We are also planning on WebEx, but we encourage in-person attendance in case of technological difficulties.

Best,
Nat
