Out of country June 30-July 11. Back 12 and 13 but hoping to take them off. Available if needed on 12 and 13.

Btw, I do have space reserved at the CPUC and on CPSD calendars for this Wednesday from 1:30-3:30 in case that should happen to be a convenient time...

One catch is that it appears that Stacey Geis, the U.S. Attorney lead (who is key to this meeting) is out this week.

Yes. Expect a meeting later this week arranged by Joe. Enjoy your vacation. Are you gone for 2 or 3 weeks ?

Thanks. Regarding the joint meeting, I was unaware of the conversation between Frank L. and Joe M. so I was caught unawares.

I guess then the update is that you shouldn't expect to hear from us for a bit.

We are working on something such that we might be prepared to make a set of demands, but it won't be ready for a while. I will state again that your folks appear to have unreasonable expectations, had you appeared more realistic, we might be talking.

Hmm. Didn't understand about needing to meet with the Criminal Task Force We have a meeting with management tomorrow and wanted to update them. Petulant ? Nah, I am endearing.

My understanding is that the task force cannot initiate said meeting, and that the ball is in your court to request. Do it soon, I'm leaving the country 6/30 and I'm fairly certain that you don't want that meeting without me there. I'm not available M or Tu.
