Shilpa,

How about June 11th, or 12th? I'm sure Mike would prefer the 12th, so he doesn't have to travel on a Monday, so 10 am or 1 pm on that date might be best.

Julie,

Sure, this would be to preview an outline of the Gas Safety Plan which we will be filing on June 29. We'll go over what we plan to file and the employee engagement process we've been taking.

Hi Shilpa,

Can you remind me what this meeting would be about specifically? We have so many gas safety issues pending.

Julie,

As a follow-up to our conversation yesterday regarding the Gas Safety Plan, our team can make ourselves available:

- on Thursday, May 31, anytime except for 1-3 PM
- on Friday, June 1 anytime.

An hour will be more than enough and we can travel to your offices.

Let me know what works for you and the team.

Thanks.
