Igor:

The timing of the review teleconferences has been a real problem for me for a couple of months, and this one is no exception. I will be in Oak Ridge that day on a technical independent project review for the Uranium Processing Facility, so I will be unable to join the call.

Dear PAC Members,

On behalf of the UC Berkeley Natural Gas Sensors group, I would like to schedule our next technical PAC meeting on **Monday 18<sup>th</sup> of June 2012, 1-2 pm PDT**. Due to logistics reasons, we'll hold the meeting on the **THIRD** Monday this month. I will send you a reminder on how to access the streamed presentation at a later time.

We look forward to share with you our progress on the gas sensor project, and look forward to talk to you all on the 18<sup>th</sup>.

Sincerely,

Igor (on behalf of the UC Berkeley Nat. Gas Sensors project group)
