Brian,

[Redacted] currently has a balance of \$298.48 (\$192.10 is >30 days old ~April bill). We have two options we can provide for President Peevey.

1. Start service for him as of [Redacted] last bill date of 6/1/12. The closing bill of \$298.48 will go to [Redacted] via her current electronic billing option..
2. Start service for President Peevey as of 4/2/12. This will create a bill for him in the amount of \$298.48 instead of [Redacted]

Please let me know which option would be best.

Thank you,

Suzy
