Re: Substitute Sheets for Advice 4044-E

Dear Energy Division Tariff Unit:

An original and 4 copies of substitute sheets are attached for Advice 4044-E, "Submission of Revised 2011 PCIA Rates and Revised 2012 Revenue Requirements and Rates, in Compliance with Decision (D.) 11-12-031 and Resolution E-4475"

In PG&E's Advice Letter for 4044-E filed on Wednesday, May 16, 2012, PG&E inadvertently left out a factor in the revised 2011 PCIA rate calculation in our submitted Attachment I: 2011 and 2012 Adopted and Proposed PCIA Rates. The attached Attachment I includes the corrected values.

In accordance with GO 96-B, Section 7.5.1, the substitute sheets are being served in the same manner as the original advice letter. For administrative convenience, a new Attachment I has been attached in its entirety. Please discard previously submitted Attachment I.

Please telephone me at (415) 972-5472 should you have any questions regarding the substitute sheets.
