Erick and Brian,

CPUC has received a letter Assembly Member Michael Allen regarding tree-trimming issues in Sonoma County. I've been asked to look into this issue and was hoping that PG&E could brief me on what's going on there. Among other things, it would be useful to get an overview of what CPUC rules PG&E is complying with in this area and how you are interpreting the rules in this situation.

I appreciate your help.

Liza
