Subject: RE: Sonoma County Tree-Trimming Issue

Liza,

We received a similar request from Damon Franz in President Peevey's office and are in the process of trying to get that scheduled. Perhaps we could combine the meetings. Would that work for you? Could you also please send me a copy of the letter?

Erik

Erick and Brian,

CPUC has received a letter Assembly Member Michael Allen regarding tree-trimming issues in Sonoma County. I've been asked to look into this issue and was hoping that PG&E could brief me on what's going on there. Among other things, it would be useful to get an overview of what CPUC rules PG&E is

complying with in this area and how you are interpreting the rules in this situation.

I appreciate your help.

Regards,

Liza
