Eugene,

Enclosed, you will find PG&E's 1<sup>st</sup> response to your verbal request concerning PG&E's storage facilities. We have included a response and maps answering your questions for each of PG&E's facilities: McDonald Island, Los Medanos, Pleasant Creek and PG&E's portion of Gill Ranch Storage. Please call either Don Petersen or me with your questions:

Two emails were necessary because of the size of some files. Please reference PG&E Gas

Storage Facility Information, email 2 with the maps of the reservoirs' boundaries.

Thank You,
