It is a public meeting so there may very well be press present (I think there is a high likelihood). However, they have not been invited. Invitations were formally extended to Board Members and via the board members, to senior leadership, of Northern California entities over whom the CPUC has jurisdiction.

Thoughts ? I suspect they aren't being asked formally ?

Brian -

Some board members who are attending next week's CPUC conference have asked if the press will be there. Can you find out?

Tony
