Hi Audrey -- and hi Andrew!
I'm unfortunately out of the office today and tomorrow, but Jim Meadows is available to meet with you.
I'm copying Jim on this email so that you two can connect directly. I hope the timing works!

Hi Cliff,

I'd like to introduce you to Andrew from Western Power (Australia). He has just spent the last 90 minutes at the CPUC telling us about their very successful Smart Grid pilot program, which has focused on customer benefits. He is interested in meeting with you and others at PG&E to exchange ideas and experiences.

He has until close of business tomorrow to meet before he leaves San Francisco.

He does not have a mobile phone, but the email is the best way to reach him.

Thanks,

Audrey
