Subject: PG&E's Energy Training Center in Stockton

Rahmon, Renee and Julian:

We are excited to hear that you would like to schedule a field trip to our Energy Training Center in Stockton. This will be an excellent opportunity to get some firsthand experience with various aspects of the energy efficiency spectrum. A typical tour takes approximately 1.5 hours, or we can tailor the visit to fit any specific areas of interest you might have, including hands-on training sessions.

What does your availability look like over the next few weeks so we can get this scheduled? I am copying [Redacted] (Manager of our Education Centers) and [Redacted] (Supervisor of our Stockton facility) to provide you with some additional insight, and arrange your visit.

We are looking forward to hosting you,

[Redacted]
