Short or "short"? I heard that last time around, they were piled up higher than I stand tall...

Presentation will be great! Perhaps you can also submit that as a request with Josie, and we can get that on the books for mid July?

Don't worry, they'll be short. We are preparing a presentation for you when you get back explaining the filing, and that might help your reading.

Thanks – I figured that I should rest up before reading those EE applications ☺

Sid

I think it would be great to meet with PG&E. I'm actually taking tomorrow and next week off (haven't had a real vacation in a while now!) Charlyn Hook is covering the CARE portions of the decision and she can probably also cover points on ESAP while I'm out of the office. Or we can do something when I get back starting 7/10. I'll have you coordinate with Charlyn and Josie.

Michael –

Would you be interested in meeting with us on this PD? If so, would either tomorrow 29Jun after 230p or else Monday 2Jul at 430p work for you? Thanks!
