Thanks. I met some guy that works for you today. Referred to himself as a fossil. Works on GRC and related issues. Was hanging out with Mike Hoover.

That is very good to hear. I will check with Aaron. I think it is a good idea.

Hi Meredith,

Yep. More to engage in a discussion than anything. Aaron would do a good job. PGE's response was excellent btw.

Hi Jason,

I will check. Are you thinking each utility would have 15 minutes?

Thanks,
Meredith

Hi All,

Would it be of interest to have your teams spend 15-30 minutes

at the workshop discussing your proposed methodologies and open it up to a Q&A?

Thanks,
