Subject: FIT Website update

Hi Meredith,

I'm updating the CPUC's FIT website and noticed there was a section for utility contact for the FIT.

Currently, this is what's listed on the site
(<http://www.cpuc.ca.gov/PUC/energy/Renewables/hot/feedintariffs.htm>) for PG&E:

PG&E Contact:

- Feed-inTariffs@pge.com
- [PG&E feed-in tariff webpage](#)

The web link still works fine, but I'm wondering if the email address is still valid? We have a utility employee contact listed for SCE and SDG&E.

If you could let me know whether I should leave that email address or supplant it with someone's name/email, that'd be great.

Thanks,

Adam
