That would be great. 6/19 AM would be fine. Didn't realize you were still out but thanks for getting back. Enjoy your time "away".

Alope,

Would 6/19 in the am work for coffee? I'm out most of this week.

I hope you are having a great weekend.

Meredith

Hi Meredith:

I just wanted to check if you are back and follow up on our earlier attempt to schedule this other informal meetup; I am hoping to get your feedback on some thoughts. Let me know if you have any availability next week (it's mostly open for me, except I am out on Fri again) or the following week. We can chat over coffee/lunch if that works for you, near either location. I am out today but will check emails over the weekend. Thanks.

Hi Meredith:

I hope you are feeling better by now. I appreciate you trying to keep our meeting in mind but you didn't have to that given your situation. As for re-scheduling, I will be in South Bay this T/W in connection with conference and panel speaker. The following T/W (5/28-29) is doable and I could meet on either side.

As for tomorrow, I assume we are still on for the RFO topic at 4pm at PGE.

Hi Alope,

I'm really sorry for the delay in responding. I've been sick this week and will not be going to the Commission tomorrow. I will be there on Tuesday. I'm then out Wednesday through Friday. Any chance that Tuesday would work? If not, we should put time on the calendar the following week. Would Tuesday or Wednesday work?

Again, I'm very sorry for the delay.

Thanks,

Meredith

Subject: meet?

Hi Meredith:

Just checking if you confirmed whether you will be at CPUC Fri afternoon and if we are able to meet up then. Please don't mess up your schedule for this; let's find a time when you are already here, or alternatively, I can come by to your side. Other times that could work for me:

-Fri AM before 10.

-Tomorrow before 10 (either side), 1-3 (cpuc)

-next week, M any time or Thu/Fri.

Thanks.
