Ditas and Steve – we have no safety issues related to the Sacramento Gas Storage project nor are we parties to the proceeding. I don't believe we will be sending any PG&E representatives.

Brian,

Here's the announcement. There's limited space on the tour van, but if your person RSVPs to Steve he can get a better count. Otherwise, they can attend the 3:30 pm all party mtg at Coloma Community Center and answer questions there,

Ditas
