Subject: RE: RAM Meeting

Any chance we could move this until 11am on Thursday?

And again, what I'm mostly interested in hearing about—(1) discussion of lessons learned from RAM 1&2 and the Program Forum, (2) potential changes to make to the program before RAM 3&4, the timeline for doing so, etc., and (3) preliminary results from RAM 2.

Thanks,

Adam

Meredith,

I think that time will work, but can I get back to you on Monday?

Thanks,

Adam
