

## Attachment B

### Allocation of Time by Issue

In the foregoing time sheets, the attorney's worked on a number of specific issues as well as on general issues, identified below with a number code.

The identification of each issue within the scope of the proceeding is discussed for each issues in section II.B, above and in the attached attorney time records. Shana Lazerow estimates approximately the following allocation of total resource time (attorney and witness) by issue in this proceeding:

Issues Areas (with letter code) % of time

A. Track I Settlement: Advocacy and Analysis to support contention that Record Does Not Support a Need for Additional Procurement of Gas-Fired Power Plants (includes time spent advocating around modeling, local capacity area needs, and values placed on renewables, energy efficiency and demand response.)	30%
B. Track II SCE Bundled Plan: Analysis and advocacy concerning renewables integration products, use of standard planning assumptions (excludes time spent advocating for consideration of CHP & new RECs procurement rules.)	42%
C. Track III Rules: Analysis and advocacy regarding OTC contracting and CAISO auction.	3%
D. General	25%
