We can meet via conference call on Thursday June 14 3 or 4. Do you want to set up an outlook meeting with call-in number? Billie

We can meet Thursday. I should be in by then (I hope, though I will not be in tomorrow).

You can send her our presentation.

Jason may also attend, though I've not talked to him.

Sorry to bother you while you are out sick but I wanted to bring this to your attention. I need your direction on how we should proceed with this 131-d PG&E and CAFG. Please see email below Billie

Billie,

Jo Lynn mentioned that you chatted late last week concerning the 6/19 meeting. Would a call or meeting at 3:00 or 4:00 on Thursday work? We are developing case studies that we would like to share with you and Nicholas. Would you please send us your presentation as well? We can then discuss both on Thursday. We would also like to discuss the objectives for the meeting.

Also, do you know who is attending from the CPUC? We are working on the location and would like to confirm numbers.

I'm out of the office but can be reached on my cell Redacted

Thanks,  
Meredith
