Billie, Nicholas,

Attached are the case studies for our discussion at 3:00. It would be great to get your feedback on the examples. The blank slides had maps, which I removed to shrink the file. It was too large to send otherwise.

Thanks,

Meredith

Per our discussions please find attached the PowerPoint that the CPUC (Nicholas and I) presented to DFG on GO 131-D at a workshop in late 2010. Nicholas was ok with me sending this to you.
