Dear Messrs. Lindsey, Hughes, and Jacobson:

On behalf of Commissioner Ferron's office, I wanted to thank you for giving us a tour of the Diablo Canyon Power Plant last week. It was very interesting to see how a nuclear power plant operates, and we were particularly impressed by the safety culture and information sharing of best practices in the nuclear industry.

We especially want to thank Redacted for giving us a very thorough and informative tour and for his patience in answering all of our questions.

Much appreciation,

Charlotte TerKeurst, Chief of Staff
