Subject: CPUC Gas Pipeline Rulemaking - issues to discuss

Bill, Randy and Andy,

As Bill requested at Wednesday's meeting, here's a list of the issues that UA Locals 342 and 246 want to discuss with PG&E. Bill, I trust is what you need for arranging the next meeting. Please give me a call to discuss a date for the next meeting.

Jay Williams and Bob Jennings, the Business Managers of Locals 342 and 246, have asked me to tell you that PG&E's communications with Locals 342 and 246 be directed to me. Also, Jay will not be available for the August 19th meeting Randy discussed with George Kikes, so that meeting will not be held.

Jack Davis
