**QUESTION 1**

Please provide all Forms PHMSA F 7100.2-1 that PG&E has prepared since January 1, 2001, including exhibits and attachments thereto.

**ANSWER 1**

Attached are the PHMSA F7100.2-1 forms that PG&E has prepared since January 1, 2001. The PHMSA F7100.2-1 reports are filed every March 15 for the prior year's information (e.g. the year 2000 statistics were filed on March 15, 2001) with the exception of the 2010 report, which was filed August 15, 2011. The filing date for the 2010 report was extended for the entire industry to allow extra time to complete the submittal due to major changes in the form and filing requirements. The report for the year 2011 will be submitted on March 15, 2012.
