Subject: Chronicle Article - Grading Leaks

<http://www.sfgate.com/bayarea/article/PG-E-memo-Downgrading-leaks-would-cut-costs-3709090.php>

Mike

Sunil,

I wanted to give you some background information related to the recent article about PG&E's past grading of leaks (see link above for the Chronicle article). While I don't know for sure exactly what information the reporter had for his article, I believe he was using the two files below as the basis. We also provided the reporter written responses to his requests which are also attached.

Bill
