Subject: FW: PG&E union matter

Hey guys,

See below the email chain. It seems that PG&E has something in mind that would work for everyone involved so what's happening with it?

Thanks,

marzia

The simple solution that he had in mind, but did not propose, would work. He is shopping it with operating people within PG&E.

Hi there,

So, does the simple solution that PG&E proposed work for you?

**Andy Williams, their VP of Human Resources, contacted me about the issue several weeks ago. He understood the underlying problem and had a fairly simple solution in mind. I have not heard from him since then and he did not formally propose anything.**

Hi,

I think you forgot to do the cc...

Please let me know the latest so that if talks aren't happening then we may need to step in.

Hello Mrs. Zafar,

I understand Mr. Dalzell was contacted by PG&E over this issue. I'm unaware of any negotiations to correct this issue. I have cc Mr. Dalzell on this email so he may answer this questions.

Thanks

Ron

Hello,

PG&E is telling me that they are working with Tom Dalzell about the tree trimming matter. I just want to follow up and make sure talks are happening. Can you please let me know.
