Thx, Brian. Entering this conversation as the 3<sup>rd</sup> wheel, let me say that I am also grateful, maybe not eternally so, but grateful nonetheless.

And BTW, notice the number you gave as my home number. It's my old PG&E office number. The prefix 973 should have given it away. My home number is [Redacted] Also, I live in the Berkeley Hills, not Oakland.

Thanks. I have known you longer than my other half, and I'm sure I'll know you as we get closer to the grave ☺. Yes, forever is a long time, but if nothing else our friendship is worth it.

Les – I'm going to call you now.
