Hi,

Well, Liza and I had predicted that no one would bid after reading the RFP, but no one listened. I have since been out of the loop, but Paul told me on Friday that I'm getting back into it this week. I was thinking about this over the weekend, and I think I'd like to just hire a few consultants to help CPSD rather than the plan before. So, we have to wait to see if DGS allows us to do that. Anyway, I'm supposed to be back in the loop this week, so I'll know more later.

Hi Shelly,

We actually didn't receive any bids on any of the RFPs so we're in the process of trying to get contracts set up through the State's non-competitive bid process – we're awaiting approval from DGS at the moment, but we're pushing hard to get the details settled as soon as possible, and will of course let you know when we do.

Best,

-Audrey
