Subject: Thursday - August 2nd - Thought Leaders Session

Hello,

Just a heads up that this Thursday right after the Commission meeting we will host our 18<sup>th</sup> Thought Leaders Session. The topic is the Internet of Things.

We have former Commissioner Rachelle Chong moderating a panel of three in discussing how the Internet of Things affect our lives now, and what might it do for us in the future. Currently, there are more devices connected to the Internet than there are people on earth... Here's a link for more information [http://www.cpuc.ca.gov/PUC/hottopics/7other/081027\\_thoughtseries.htm](http://www.cpuc.ca.gov/PUC/hottopics/7other/081027_thoughtseries.htm)

I hope you can make it to the session. It starts at 1:30pm in the Commission's auditorium.

Regards,

Marzia Zafar
