Gee, could it be related to my having asked Energy Div yesterday for a briefing on the NOI?
Nah.

I think we're going to Alameda for a BBQ. Breakfast where?

I have been impressed this afternoon to get interest in the PG&E GRC NOI from Richard Myers and Gurbux and Don LaFrenz.

Then I was impressed that John Hughes is going to a meeting NOW at the CPUC and so he took the CDs with the draft testimony, etc. with him to deliver.

I mean, it's just before July 4!!

But then again I am working so there we are . . .

We are thinking we'll walk to breakfast tomorrow morning and then just keep walking, perhaps to GGB.

What are your plans?
