I agree, Julie, having a birthday is much better than the alternative...

Happy anniversary, Laura!!

I don't think I ever knew your anniversary date was July 10! 41 years is pretty impressive these days, especially with all that premarital sex. Congratulations and happy anniversary! Yes, Terrie and I and Delaney all hit the big 4-0 this year. I remember my mom thought it was so depressing. I actually think it's pretty cool. 50 is the one I'm more concerned about... But actually, even then, we're all lucky to have all of the birthdays we have.

August 3 it is! I'll send an outlook appointment.

I hate what I did: selecting a date somebody specifically said no to!! I got confused looking at my calendar, let's just say . . .

Let's go with August 3, a Friday. Really, how bad a day could that be??

So 40??

Seeing this is a reminder that you both could be my children! Larry and I got married 41 years ago yesterday. And of course we didn't have sex before that. Oh no.

Yeah, 2012-1972 = ??? Mine is in November.

I think July 30 was not one of the days Terrie listed as available. Can you do July 31 or August 3?

Only if you come to Concord. I have a no-work policy on special holidays. :)

I'm celebrating the anniversary of my 39th birthday on July 26th and 27th so those dates are out for me. I could do July 31st or August 3rd.

Hi Laura and Terrie,

I'm looking for possible lunch dates for us sometime soon. Unfortunately, I figured out that due to the fact that I have to have some minor gum surgery on July 19, I may not be very good at having lunch for a week or so after that. So, what about the following dates:

July 26 or 27

Any day week of July 30?

Let me know what might work for both of you.

Julie
