Commissioner

You were terrific today, no surprise. One of the women there said afterward "I have never had the chance to hear from a PUC Commissioner in such an open way. She's impressive!". You were inspirational and down to earth simultaneously.

Hope you are home by now.

I also hope this is the right email address for you.

Here is brian cherry's italian suggestion: "The best Italian traditional is at North Beach Restaurant hosted by Lorenzo "King of North Beach" Petroni."

See you in Portland.

All the best,
Laura
