Thanks, Laura! We're working on a couple things here to commemorate 8/11, including nifty T-shirts that I hope are ready in time!

You probably know about this and already got it, but we wanted to make sure. The "day" is August 11, just in case anybody wanted to mention it at the August 2 Commission meeting . . .

It's fun to send you something like this late on a Friday and not something awful!

Have a good weekend.
