No problem, I got sick on Thursday, today is the first day back. Yes we should do lunch, if you want I can have Evelyn meet us. She is on vacation for the next 5 weeks. Well actually she is taking FMLA to try and get her body back in working order. Her stress level is messing with her diabetes. I am sure she would love to see you again.

Hi Ernie, sorry for the delay in responding – I took a few weeks off for vacation and just got back. I'd be happy to discuss any opportunities. It's about time we caught up anyway – we're overdue. Want to have lunch sometime?

Good morning Trina,

I was wondering, if you have heard anything about PG&E hiring an Administrative or Executive assistant? Rumors has it that they are.
