Paul,

I just learned that Hall & Assoc. is on a retainer. I can track down the monthly fee if it would help.

Subject: question re: Hall & Associates rate

Ed, General Hagan asked me to inquire with you and Paul about the rate (\$/hour) that Hall & Associates will receive for their participation in the fall safety conference - he'd like to use that as a starting point for discussing rates with a vendor for another project.

Many thanks,

-Audrey
