Hi Brian,

I think this would be a very interesting activity to do at some point. Given vacations and workload schedules, I think this would need to wait until after the summer. If you wouldn't mind coordinating with my assistant, Julian Banks, let's see if we can find an appropriate time.

Thanks

Mark

Mark - I would like to extend an invitation to you and/or your staff for a ride along with one of our Gas Service Representatives or Electric Line Crews. If you are interested in spending a day with one of our crew personnel in the gas or electric areas, just let me know. I would be happy to make arrangements for you at your convenience depending upon your scheduled availability.
