Jana,

Congratulations on getting this to the finish line (at least, for now). I will confer with our folks internally and see if / when such a meeting would be beneficial. Thanks for the offer.

Best,

Simon,

Now that the filing rush is behind us, I wanted to offer to meet with you and your staff to preview PG&E's proposal. I think it might be helpful as you dig into the documents if we

provide an overview and answer any preliminary questions. Let me know if that would be useful to you and we can schedule.

Thanks, Jana
