We could try for Tue AM, if that's easier for both of you.

Dave –

This is all I see on Cliff's and Jim's calendar, and they are not here today to consult about juggling. Perhaps you could join us by cell, which is how I will have to join on Monday?

sid

Hi Sid,

If you could make it at either 9 or 11, that would be best for me. I usually catch a bus home (Sonoma County) at 4:15. However, if 4 is the only time you can do, I can make that work.

Dave

Aloke –

Thanks. Does 400p on Monday work for you two?

Hi Sid:

I am out today. Let's schedule a call on Mon to follow up on the discussion we already started. I think we need more discussion of the last paragraph in the attachment of PG&E's opt-out AL. If Jim/Cliff are back, they should

join as well. I have also cc'd David, also in ED, who is working with me on resolving the protest of this AL. He can confirm a call time with you.

Dave: I am mostly open on Mon (see my calendar). Let's book a room for the call.
