Subject: Data Request for A11-11-017

Sid,

As we discussed, please find attached a Data Request in response to aspects of PG&E's rebuttal testimony in A11-11-017.

If there is someone else who should receive this request, can you please let me know?

I have an internal OK for the process of accepting the response documents into the formal record of hearings, if they can be provided prior to July 10, and are shared with all parties, in accordance with previous ALJ directions regarding Data Request Responses.

With Regards,

Arthur O'Donnell
